

Your Children... Your Choice... Your Rights...

April Renée is dedicated to educating parents, doctors and the community on the dangers of our childhood vaccine program. She is available to speak to your patients, church groups & friends.

*Please schedule your FREE lecture today by emailing
VIC@vacinfo.org or calling 800-939-8227*

Topics discussed are:

- Are vaccines safe?
- The Autism/ADD/ADHD epidemic
- Vaccine ingredients
- Over 20 years of research
- Exemption laws
- Congressional Hearings
- Conflicts of interest
- Cause of ALL dis-ease “labels”
- Did vaccines eradicate diseases?

*In Loving Memory of Casi Renée
June 3, 1995 ~ June 13, 1999
Speaking the Truth with Love...*

VIC (Vaccine Injury Coalition)

Autism is 1 in 67 children today and it's impossible to have a genetic epidemic! For more information visit www.vacinfo.org and “Please learn from our mistake and educate BEFORE you vaccinate!”
