

“We Believe”

- That Yahuah is the One True Creator of the universe.
- That ALL the Scriptures (Genesis thru Revelation) are the infallible Word.
- That we are not a denomination, we are an eternal Priesthood and use the Ancient Paleo Hebrew names for our Creator.
- That our savior (Yahusha) is the Son of Yahuah and manifested in the flesh and is the fullness of Yahuah in bodily form.
- That Yahusha is indeed the Melchizedek Priest and has ushered us into His Melchizedek Royal Priesthood (1 Peter 2:9) where we are to walk in His Royal law (Jas 2:8), the perfect law of liberty (Jas. 1:26) contained within His Covenants of Promise (Ephesians 2:12). “Think not that I come to destroy the law, or the prophets: I have not come to destroy, but to fulfill.” (Matthew 5:17)
- That the body of Messiah is composed of all those who believe and have committed themselves to Yahusha, the Seed of the woman, the Hope of Israel.
- That salvation is by grace through faith, and that only by the shedding of His innocent blood is there remission of sins.
- That Yahusha was born of a virgin by the Holy Spirit (Ruach).
- That the work and ministry of the Ruach is the same yesterday, today, and forever.
- Scriptures teach the body is “The temple of the Holy Spirit which is in you, which you have of Yah and you are not your own. For you are bought with a price: therefore glorify Yahuah in your body and in your spirit. (1 Corinthians 6:19-20)
- Scriptures teach that there are clean and unclean animals and that Yah’s people are not to put the unclean into their bodies. Many vaccines are made from the blood of diseased animals, aborted fetal tissue and contain many neurotoxins (mercury, aluminum, lead, formaldehyde) and are not sterile. “The life of the flesh is in the blood.” (Leviticus 17:11)
- Scriptures teach “For thy merchants were the great men of the earth; for by thy sorceries were all nations deceived.” (Revelation 18:23) Sorcery is from the Greek language, which is pharmacopeia meaning pharmacy.
- Scriptures teach that the parents are entrusted with the care and welfare of their child. (1 Timothy 5:8) Parents, not the state, are responsible to make health care decisions on behalf of their children. We believe vaccines are the cause of the autism pandemic (1 in 28 children), according to the CDC. The National Therapies Research Board stated 1 in 4 children receiving vaccines are on the autism spectrum (Aspergers, ADD, ADHD, PDD and many more). We show in our presentation that vaccines are the underlying cause of ALL dis-ease and childhood “labels”.

Therefore, be it known, that based upon the teachings of the Holy Scripture, it is our choice to not have our children or ourselves vaccinated. We desire to be at peace with those who may feel or think differently than we do on this issue and that is why we humbly explain the choice we have made. Praise be to Yahuah!
